**DETAILED ACTION**

**EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Michael N. Haynes, Applicant's representative, on November 9, 2004.

The application has been amended as follows:

In the claims:

- Claim 1, lines 5 and 7, the word "-- top --" has been inserted before "box score";
- Claim 6, line 1, the word "-- top --" has been inserted before "box score";
- Claim 8, line 1, the word "-- top --" has been inserted before "box score";
- Claim 9, lines 4 and 6, the word "-- top --" has been inserted before "box score";
- Claim 10, lines 6 and 8, the words "-- top --" has been inserted before "box score".

***Allowable Subject Matter***

2. **Claims 1-10 are allowed.**
3. The following is an examiner's statement of reasons for allowance:

The examiner finds applicant's arguments concerning Trindade and Johnson references (Applicant's amendment dated 7/19/2004, pages 7-9) persuasive. Neither

Art Unit: 2167

Trindade nor Johnson teach the combination of claimed elements including: "calculating a top box score and a difference score" and "using the top box score and the difference score to obtain an effectiveness score for the survey question" as recited in independent claims 1, 9-10. Thus, prior art of record neither renders obvious nor anticipates the combination of claimed elements in light of the specification. Dependent claims 2-8 are allowed at least by virtue of their dependencies from claim 1.

After a further search and a thorough examination of the present application and in light of the prior art made of record, claims 1-10 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
